

Our dearest Austrian friends and supporters of our local families with children in need, in the Northern Greece area of the Nestos River Delta,

In this brief letter of thanks, we would like to express our deepest gratitude and respect to each one of you, whether it be elder or youngster or even small children, for depriving yourselves of money or goods, in order to help our families in need and their children.

We understand how difficult it is for one to sympathize with others, especially with people of a different culture. But if we consider that we all are humans with common ancestors and common feelings, values and similar experiences, then there is a hope that warms our hearts. The hope that we all belong to the wide family of mankind, who are ready to help one another, today you help us, tomorrow we help you.

No longer, thus, will we call you friends and supporters but rather brothers and sisters and we will consider you family. You are all always welcome in our wonderful area of the River Nestos, together with Mr. Jorgo Trompeter, who kindly and effectively organizes your whole effort.

Special thanks should be attributed to supporting companies and their people in charge, who all have kind hearts full of humanitarian feelings, such as:

Famiglia Lo Franco - Fattoria La Vialla
Wolfgang Wallner - Wallners Nudelei
Martina und Johann Reitter - Biolandwirtschaft
Martina Racz - Format Werk
Christoph Olesko - Phytopharma
Erwin Haider - Fa. EWO
Josef Korner - Fa. Heindl
Heidi und Franz Grillneder
Manuela Gutmann - Marquardt

Closing our brief letter here, we once again express our warmest thanks to all of you, praying to our Lord Jesus Christ to bless you all, you and your families, and repay you with spiritual and material goods, one hundred times of what you have deprived yourselves for us.

On behalf of the families with children in need,

President of Philoptohos in Chrysoupolis

Ampelakiotou Vicky
